

**NEW PRODUCT**

**Huxley® Golf**

**Premier Tee Turf** **SERIES 2** 

A new generation all-weather turf suitable for golf course tees, practice tees and similar applications requiring a top quality, low maintenance playing surface.

Already installed at the world-renowned Wentworth Club in Surrey, England, Huxley Premier Tee Turf 2 (PTT2) offers users the following key benefits:

**“ Our members enjoy practising on the new Huxley Premier Tee Turf. It is the most realistic and innovative all-weather surface on the market. ”**

*Julian Small, Managing Director, Wentworth Club.*

- Exceptional pile density enables installation without the use of a silica filler
- Installation without a filler helps ensure minimal maintenance requirements
- Balls can be played directly off the surface or from a standard tee peg inserted into the pile
- Suitable for installation by golf course staff with guidance from Huxley Golf
- Can be lifted for cleaning , replacement or repositioning to help spread the wear
- Hard-wearing, silent and comfortable to walk on. Looks and feels like natural turf

Because it needs no filler, Huxley Premier Tee Turf 2 is suitable for installation by golf club greenkeeping staff on a properly-prepared base, with guidance from Huxley Golf. The absence of a filler also makes it possible to lift the surface for cleaning, for rotation to help spread the wear or for eventual replacement.

The minimum recommended width of a Huxley Premier Tee Turf 2 installation is 12ft (3.66m). Overall length will depend on the application. A typical practice tee could measure a minimum 12ft (3.66m) wide by 60ft (18.3m), 72ft (21.9m) or 84ft (25.6m) long. An all-weather golf course tee would measure a minimum 12ft (3.66m) wide by 12ft (3.66m) long, although greater lengths are recommended to help spread the wear across the surface. However, users will find that the wear rates and maintenance requirements of Huxley Premier Tee Turf 2 are greatly reduced compared with a natural grass golf course tee or practice tee.

Huxley Golf has a policy of continuous improvement and reserves the right to alter prices and specifications without notice or obligation.
